Subject: Information Request - Request for Extension

Hi Brooks,

I am in receipt of your attached letter.

As I was in Spokane at the time of arrival I only opened the letter today, on October 7.

I am writing to ask for an extension of up to November 30, 2019 to comply with your request.

Also most of my documentation is pdf files and therefore requesting if all documentation can be sent via email and email attachments.

I look forward to your reply.

Paramjit Hothi
